

## BREAKING NEWS

### The Flood Gate Was Opened

Steve Weir was on fire on Saturday against Kiewa knocking up a century and then taking a bag full of 5wickets for 14 to help the Gold team knock up 245 and demolish Kiewa for the miserly score of 62. Al Farkas also seems to have recovered from some injuries

to compile a nice 54 for his return game with an all round top performance from the entire team they should be a big chance in the finals.

### A Grade Survives a Close one

A grade looked in some trouble going into Saturdays 2<sup>nd</sup> day against the Wodonga Raiders after posting a score of 150 the previous week. However some outstanding play in the field and terrific bowling from the 2 spinners

Justin Russell 3/40 and Ryan McNeil 2/21 had the Raiders come to within 5 runs A terrific display of cricket by the guys shows that we are no pushovers in the higher provincial league.
