

## BREAKING NEWS

### HARRO WARNED!!

The Call from West Wodonga Warriors Square Leg Umpire was "Watch this guys action" as Heath trundled in for his trademark Murrall, which ended up being an almost head high full toss that was almost dispatched to the boundary by a guy who to our and West

Wodonga's recollection has never hit a boundary in his cricketing career. Heath did redeem himself in the batting department hitting a nice 55 for the Blues.

### AUCTION 10<sup>th</sup> November 07

The annual goods and services auction is just around the corner with already some great items to be put under the hammer. However more items are needed to make the night a big success. This year there will be some incentives for players to bring along some people from outside the club to create some big interest on the night and hopefully raise some much needed funds. For more info please see Dean

## MATCH REPORTS

### A GRADE –

After a late start to the day the game was a good tight battle for the points however unfortunately the Titans came home to get the points.

### B GRADE-

A great win for B grade gets them going for the season however after their first innings the Titans were put back in and swung the bat to declare at 171, the problem then was we lost our wickets very cheaply until Jordan and Tim batted out the remaining over's to secure the win

### C GRADE GOLD –

After an outstanding start to the days play bowling out Baranduda for 67 it all went downhill from there

### C GRADE BLUE –

With the inclusion of X man and Harro we thought we had a good chance but with poor fielding and apart from X & Harro our batting lacked any real conviction. Better luck this week boys

### UNDER 17's

A great start to the game that seen S Yea and N Sariman putting on some good runs on the board and with good fielding this week they should take the points

### UNDER 15's

J.Freake started the season off like he finished last season to put a good total together to defend on the weekend
